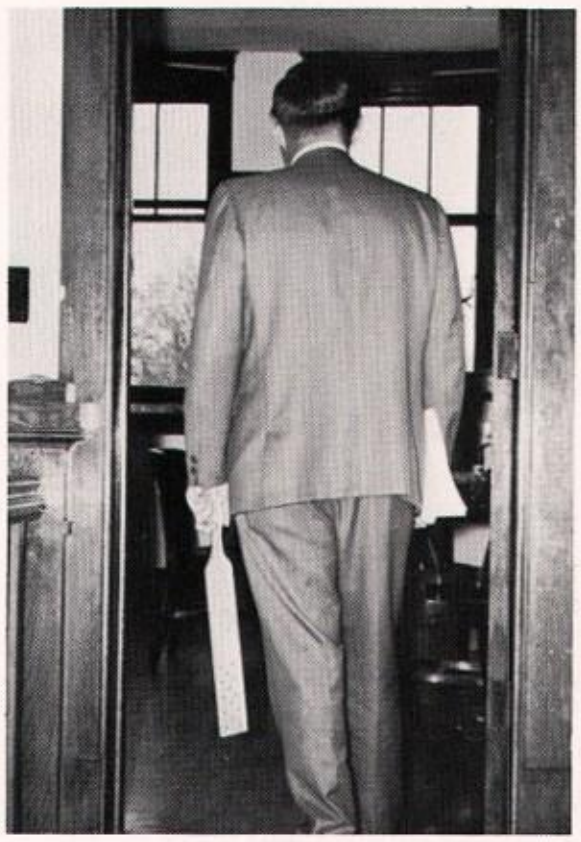
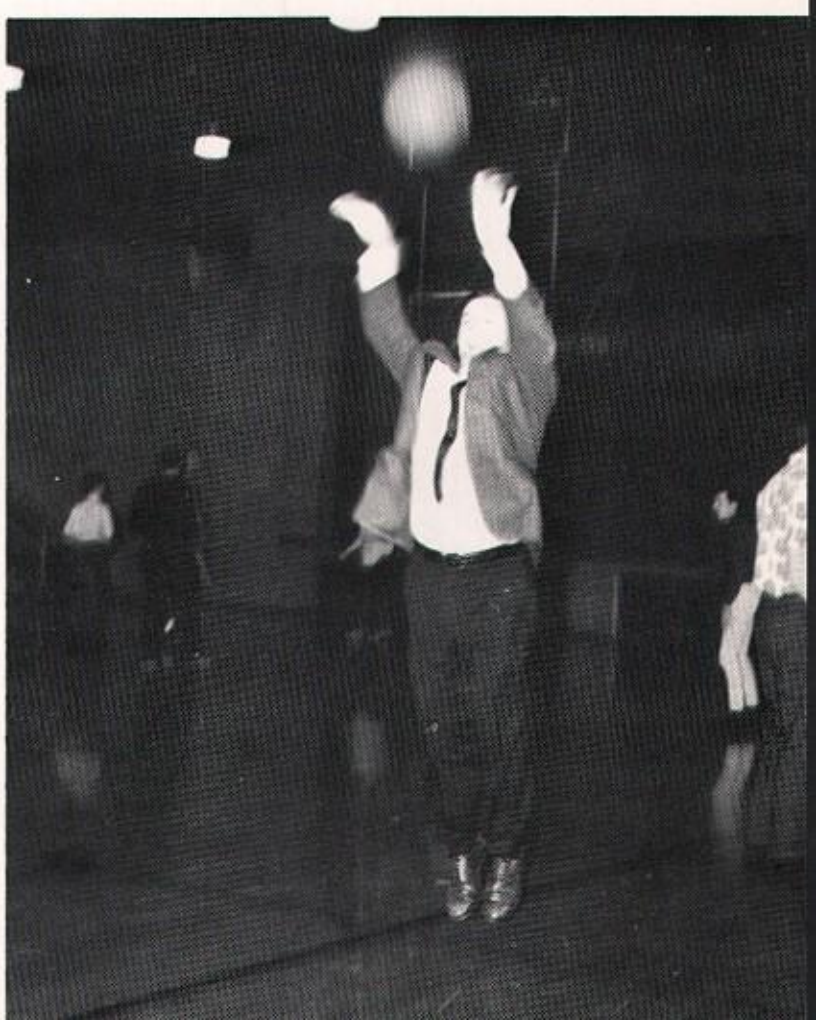
Action in Every Direction

The theme for the 1968 Aceria, "Action In Every Direction," was chosen because it best illustrated the many activities and projects high school school students become involved in. School activities are of importance to the molding of a high school student.



Waynetown is fortunate to have many organizations to participate in and to be able to find such fine leaders for these organizations.
Both students and teachers face many responsibilities. Besides these, there were many activities outside of school which consumed the time of almost every student.



Classroom Activities Made Learning Fun

Classroom work doesn't always have to be boring. It's even possible to enjoy yourself.

Many classes had interesting ideas. The freshman English class staged a hippie trial to make their discussions more realistic, and the Spanish classes made a pinata to celebrate Christmas.

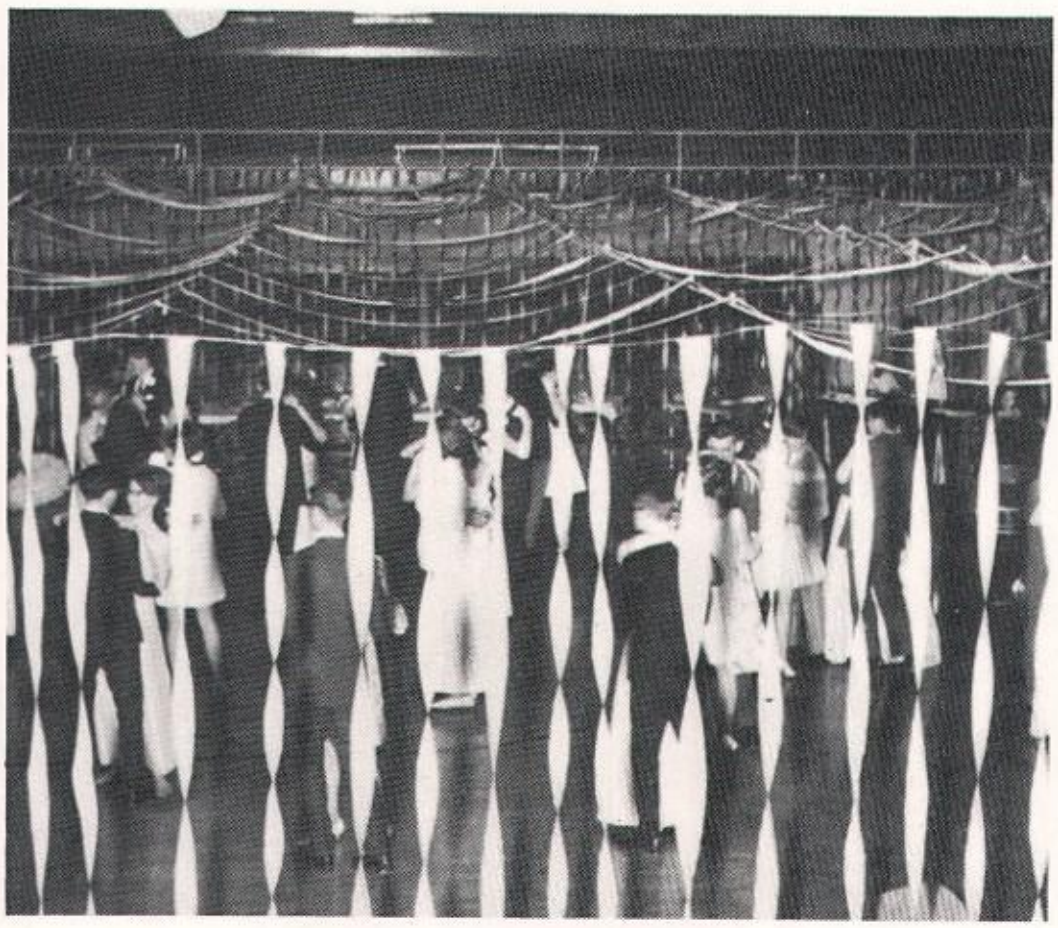
In Memory of Gary Charles Austin

Our friend passed on this summer
And though we miss him so,
We will always remember him
As a wonderful friend to know.

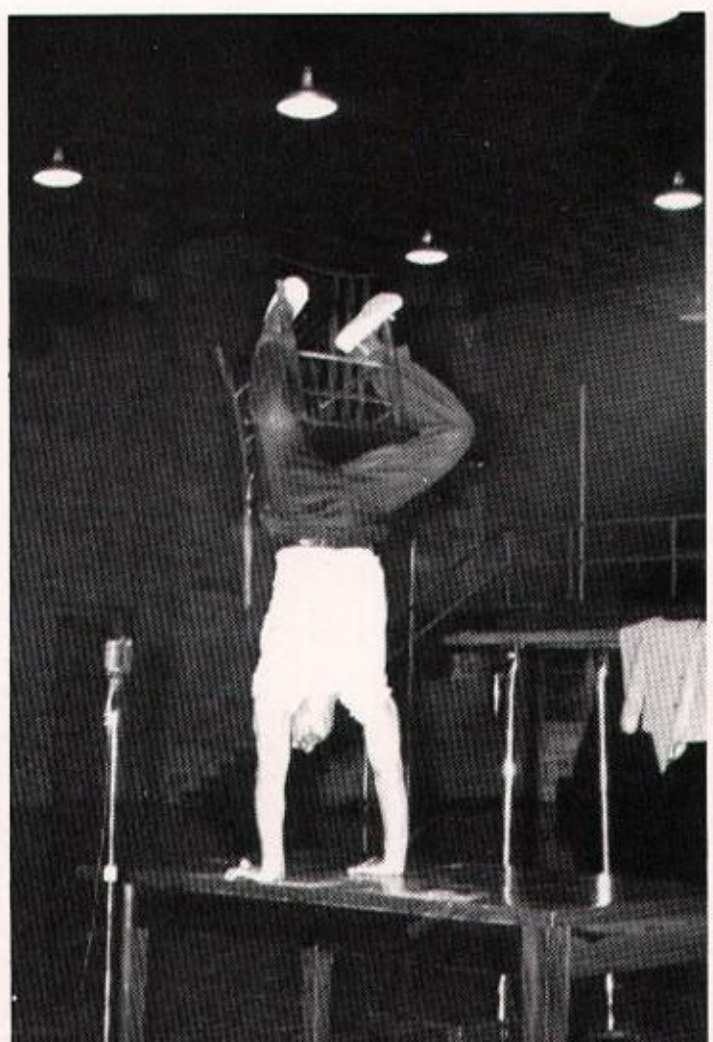
ACTIVITIES



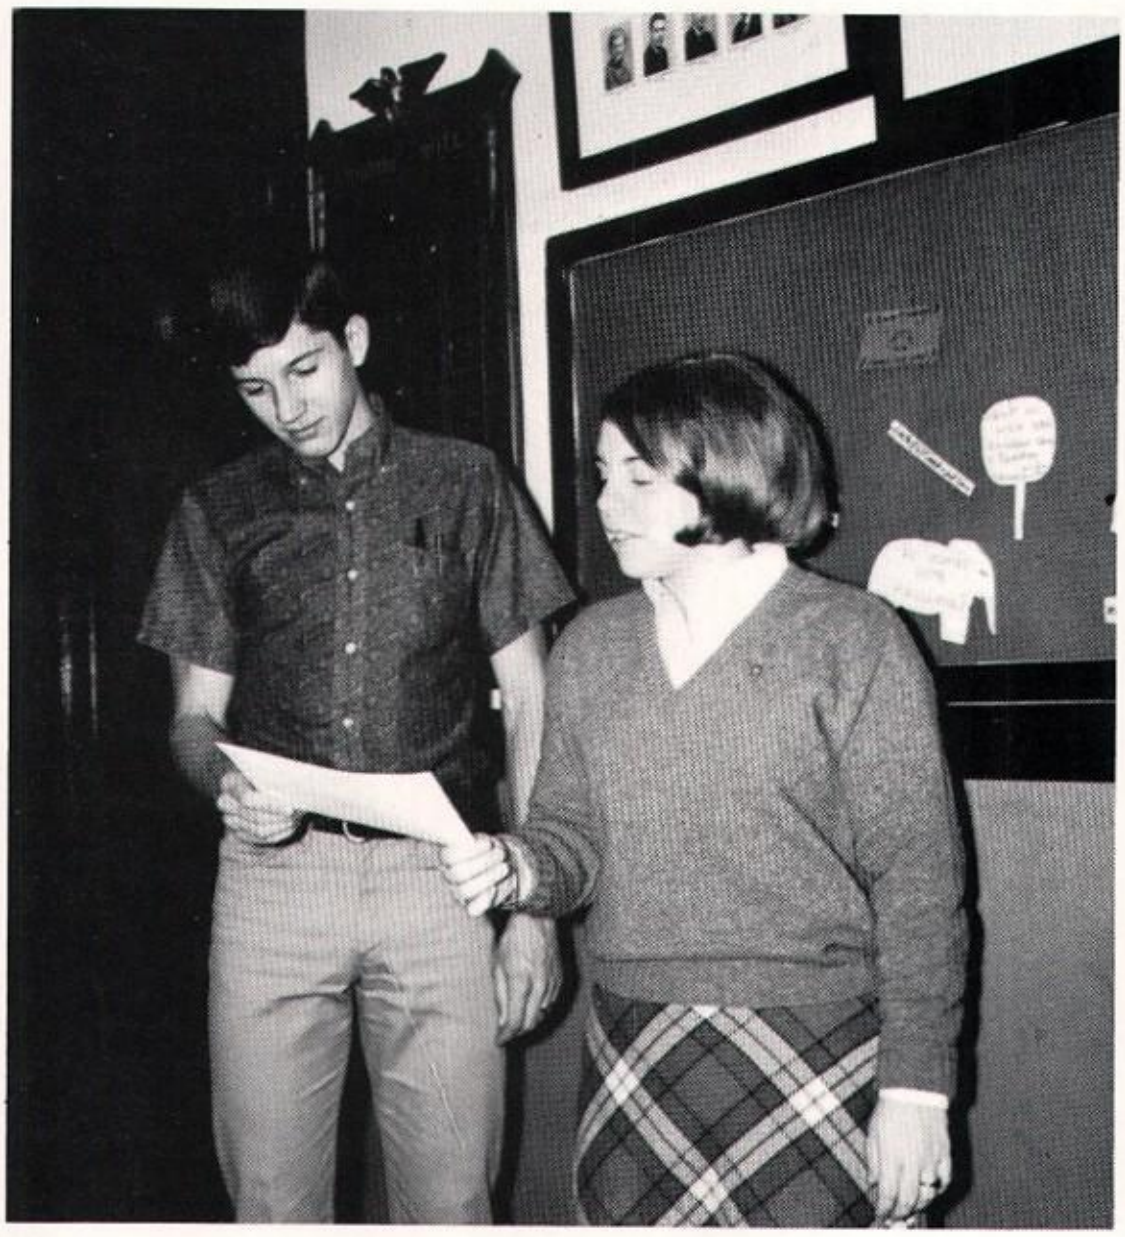
. . . IN ACTION

Student Council

The Student Council was in charge of many activities. The members helped move the new desks into study hall over Christmas vacation, sponsored a number of interesting convocations and a Halloween dance. A survey was taken of the entire junior high and high school and the results were examined by members of the Student Council.



Achievements and Honors

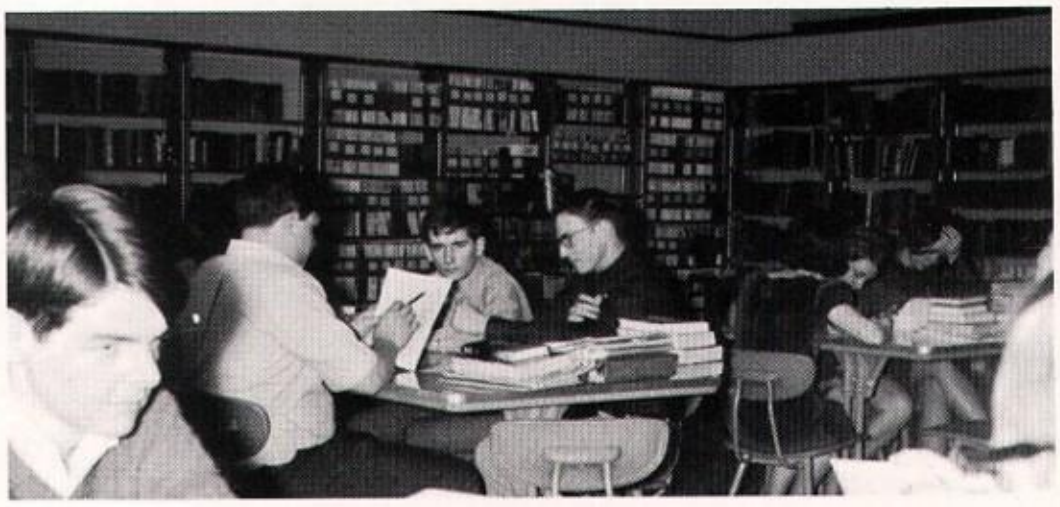


The delegates for Girl's State and Boy's State last year were Jane Bratton and Mike Bunnell. The alternates were Shirley Voliva and Jack Grimble. Shelly Drake received the D.A.R. Good Citizenship Award and receivers of honor jackets and bars were Mike Bunnell, Jack Grimble, Charlene Sennett, and Linn Donnelly.

Librarians

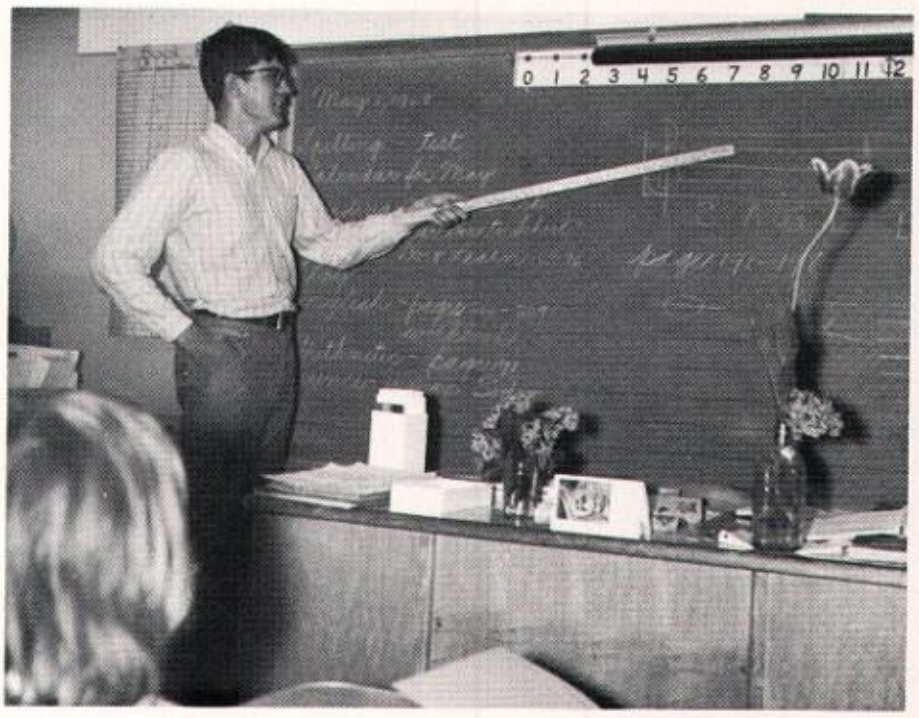
The job of student librarian usually was not too difficult, but it did have a few trying times. It mainly consisted of checking books and magazines in and out, trying to keep the library in order, and doing various odd jobs for Mrs. Venis and some of the other teachers.

A new group was added to the library this year. The members of this committee were in charge of keeping bulletin boards and walls of both the high school and elementary libraries nicely decorated. Many of their creations were very original.



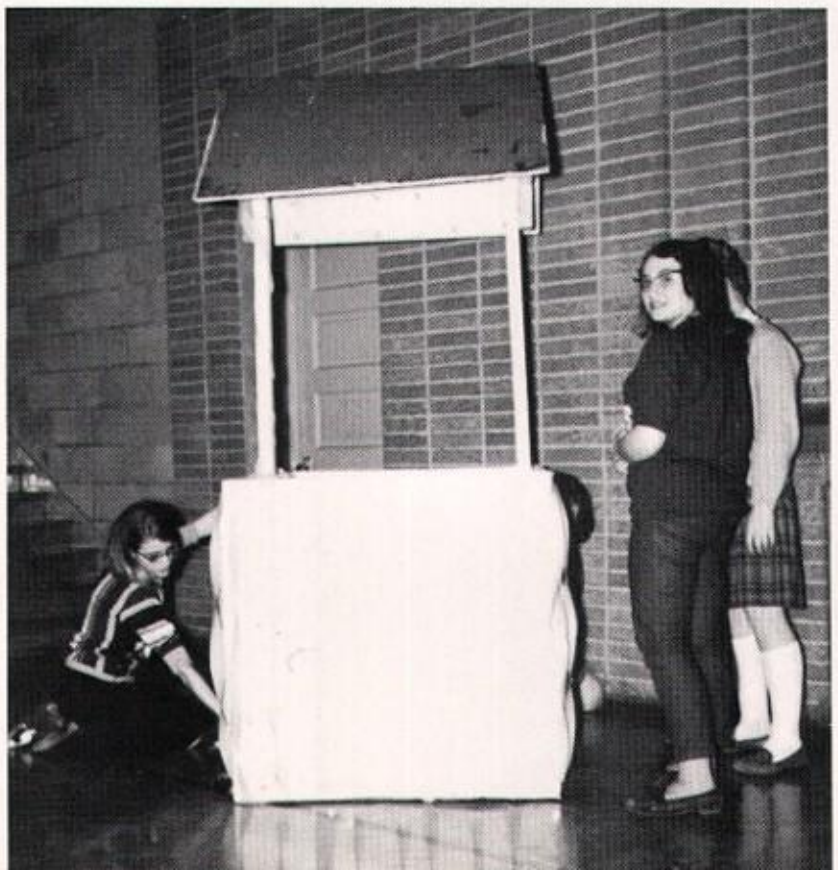
Future Teachers of America

The Future Teachers of America were interested in local, county, and state activities. The local chapter had a party for two other county chapters to carry out the State Project, "Educational Exchange." The Senior members were given the opportunity to teach the class of their choice the last six weeks of school. The local chapter was also active in county meetings by presenting a program and by being host. Waynetown was fortunate to have a member who was a State Officer. F.T.A. is an organization which is important to those students who are interested in the teaching profession.



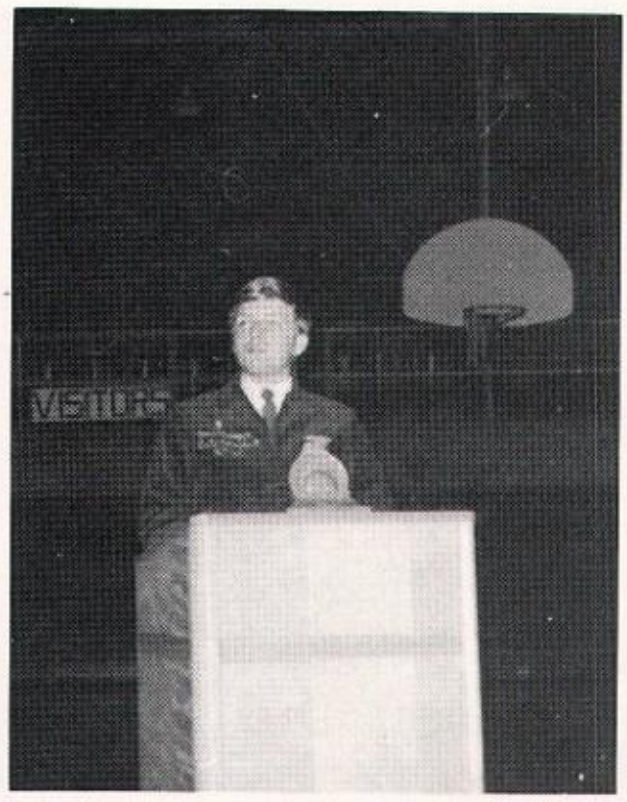
Future Homemakers of America

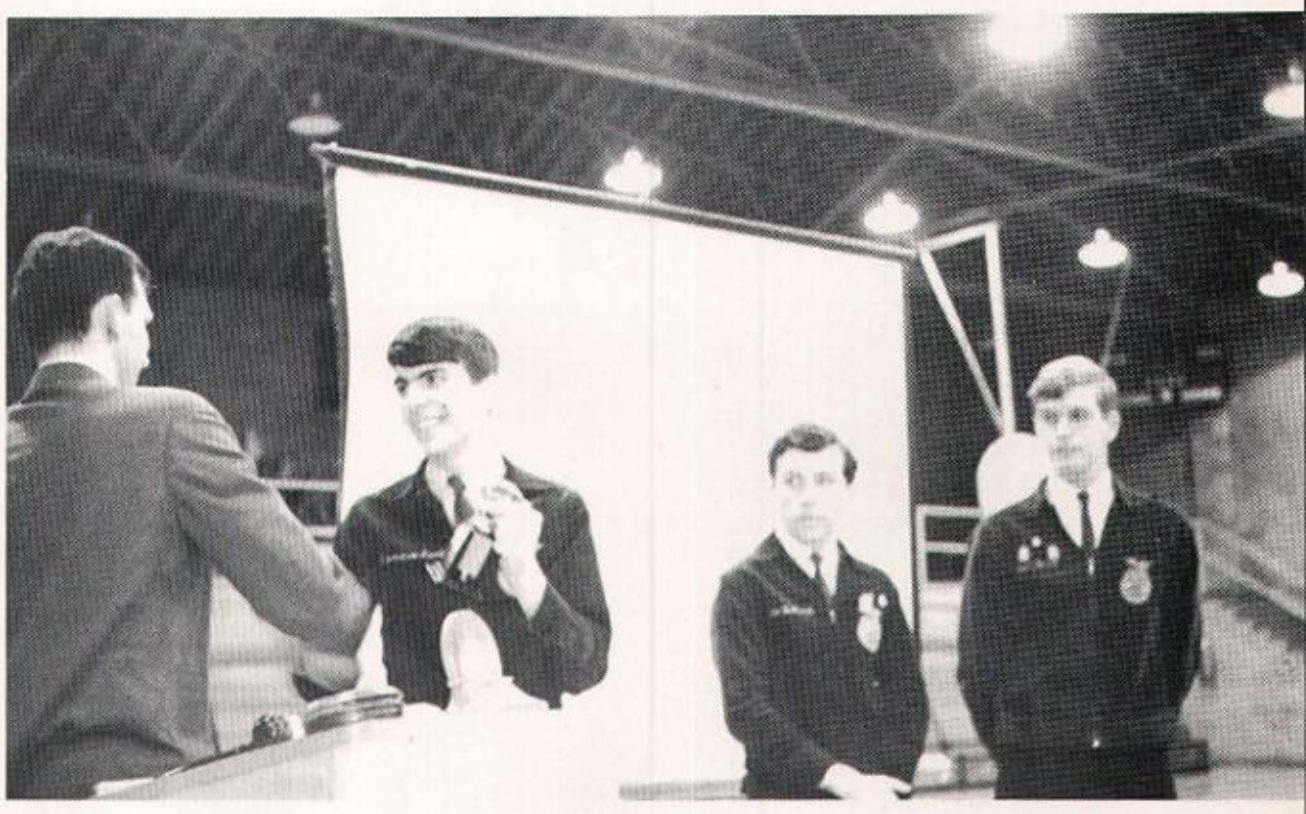
The FHA conducted many projects which were in some cases also profitable. At Thanksgiving, the girls distributed almost twenty cheer plates. They also displayed baked goods at ballgames and a regular bake sale in the spring. A joint effort between the FHA and FFA produced a very nice spring dance with the theme of "Rainbow Rhapsody." New members were initiated at the Mother-Daughter banquet and the officers were installed at another ceremony. All the girls took part in these activities and helped to make the year a success.



Future Farmers of America

The FFA was an active group all during the year. They sold SMU signs as a money-making project and also assisted the Sunshine Society in collecting donations for the Heart Fund. A Greenhand initiation and a formal initiation were held for the new members which included memorization of the creed. The annual chili supper was held, and one of the main features of the evening was the attendance of the state president, Ron Mosser. The Awards Banquet was held in April and the boys received recognition for their achievements.

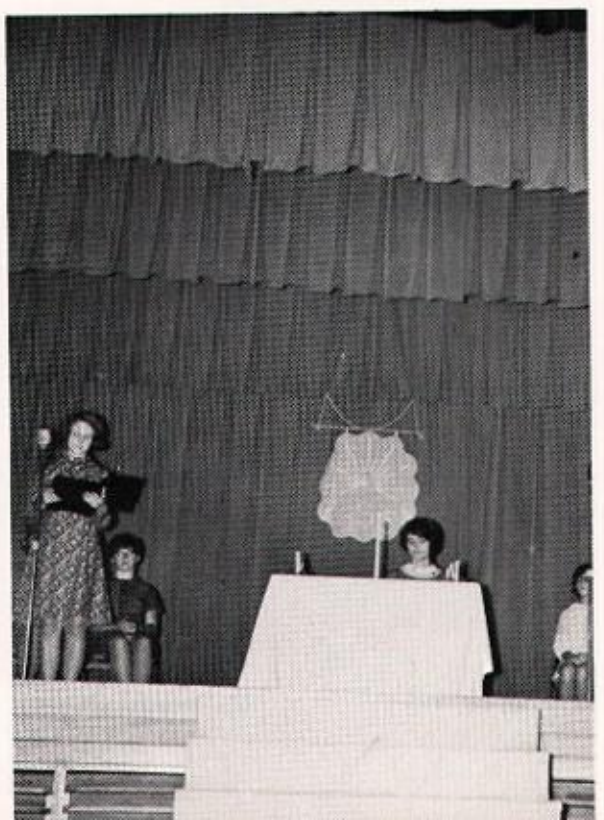


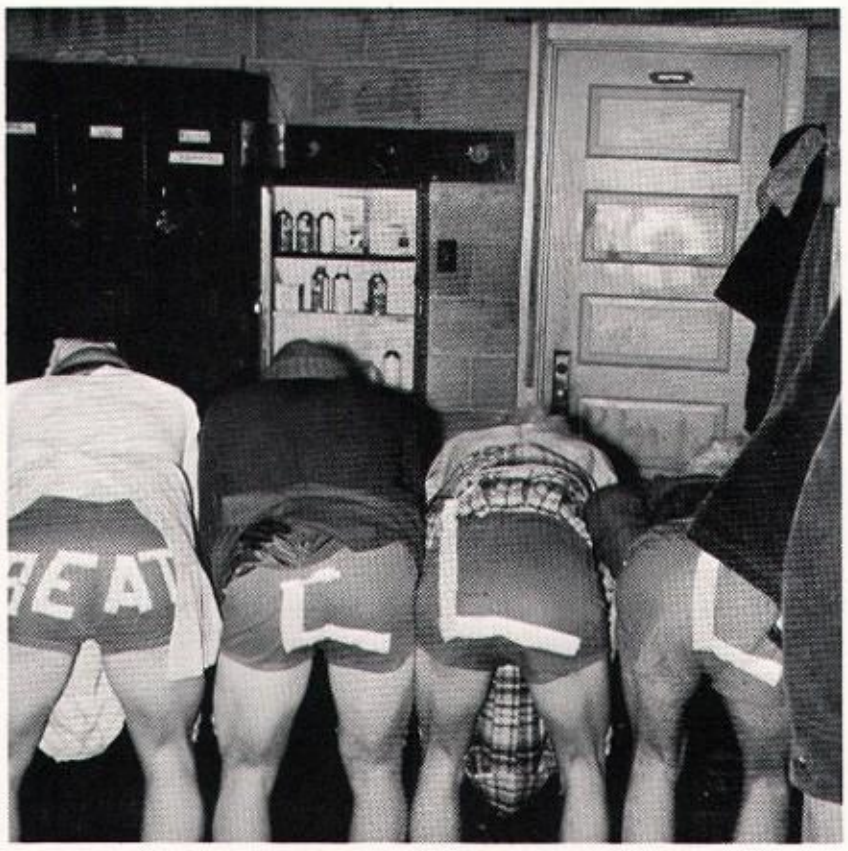


Sunshine Society

The Sunshine Society was one of the largest organizations in the school. Almost every high school girl was a member and took an active part in each project. We had many meetings to honor our parents and different members of the organization. Some of the activities held are listed below.

Freshman cookout, formal initiations; Daddy Date Night, Senior dinner and installation of new officers. We also honored different ladies in the community during the year and identified ourselves at the annual Ideal Ladies Tea.





Pep Club

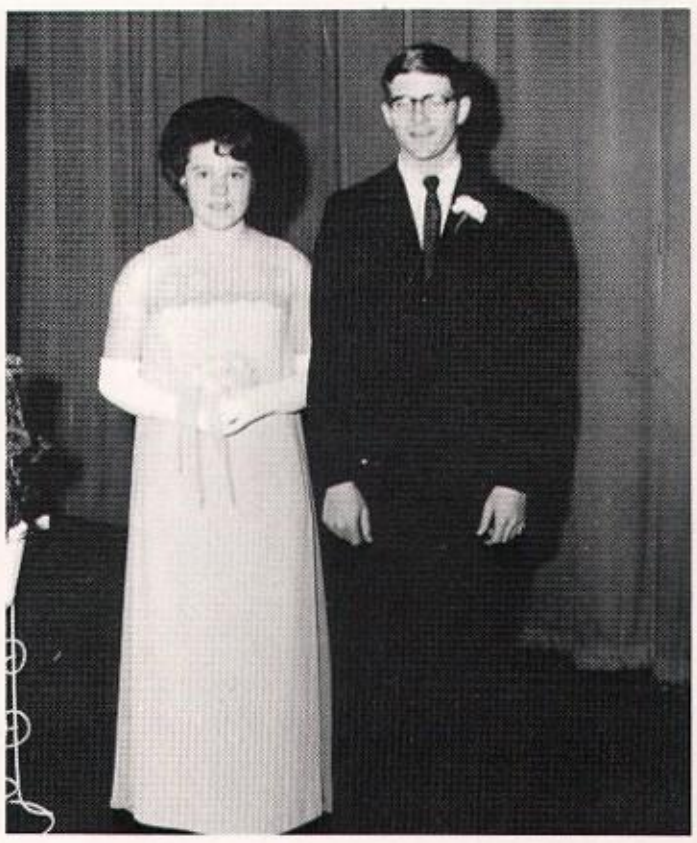
The Pep Club's main purpose was to create better school spirit and to encourage our team. Most of the members showed a great deal of enthusiasm.

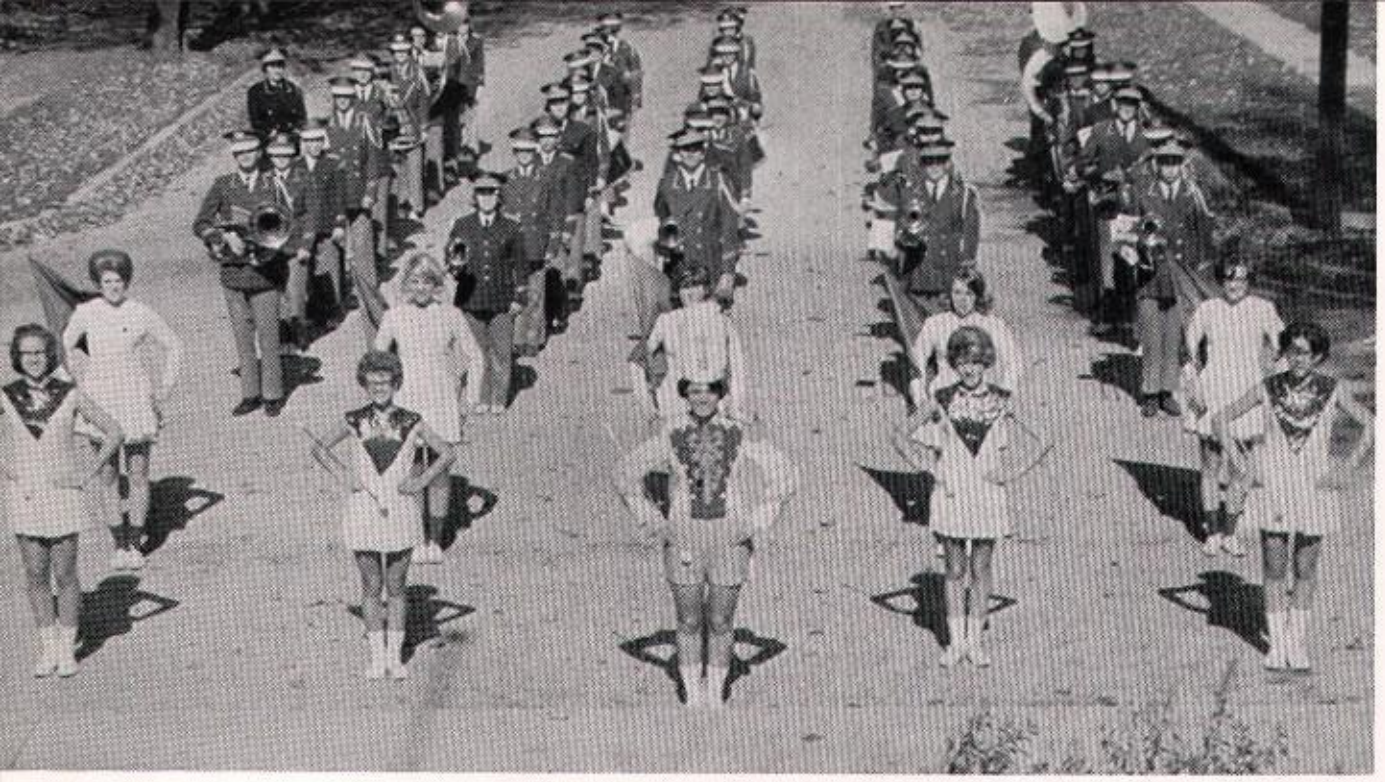
Homecoming Wa
of th

The climax to weeks of planning occurred on December 2, 1967, as the 1967-68 Homecoming Queen was crowned. Shelly Drake, escorted by Butch Springer was crowned by the 1966-67 Homecoming Queen Brenda Snelling who was escorted by Gary DeBaun. The festivities were planned by the Student Council and the music for the dance was provided by the Wilkinson Steel.

s the Main Highlight
e Year

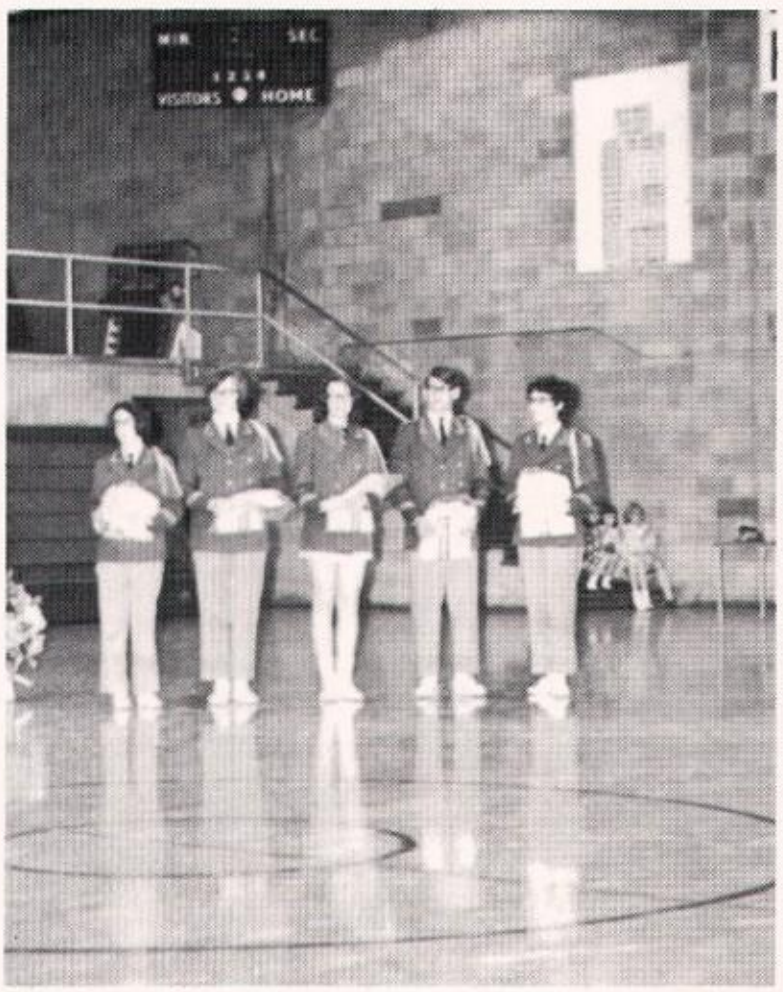
The Student Council conducted the election of attendants and then the escorts were chosen by each girl. The Senior attendant was Shirley Voliva escorted by Jack Grimble. Bob Hall escorted Diana Rosen, the Junior attendant. The Sophomore attendant, Jeanne Fulwider was escorted by Lloyd Finch. Susie Springer, the Freshman attendant, was escorted by Don Pittman. The flower girl was Terry Koperski, and the crown bearer was David Blackford.





Band

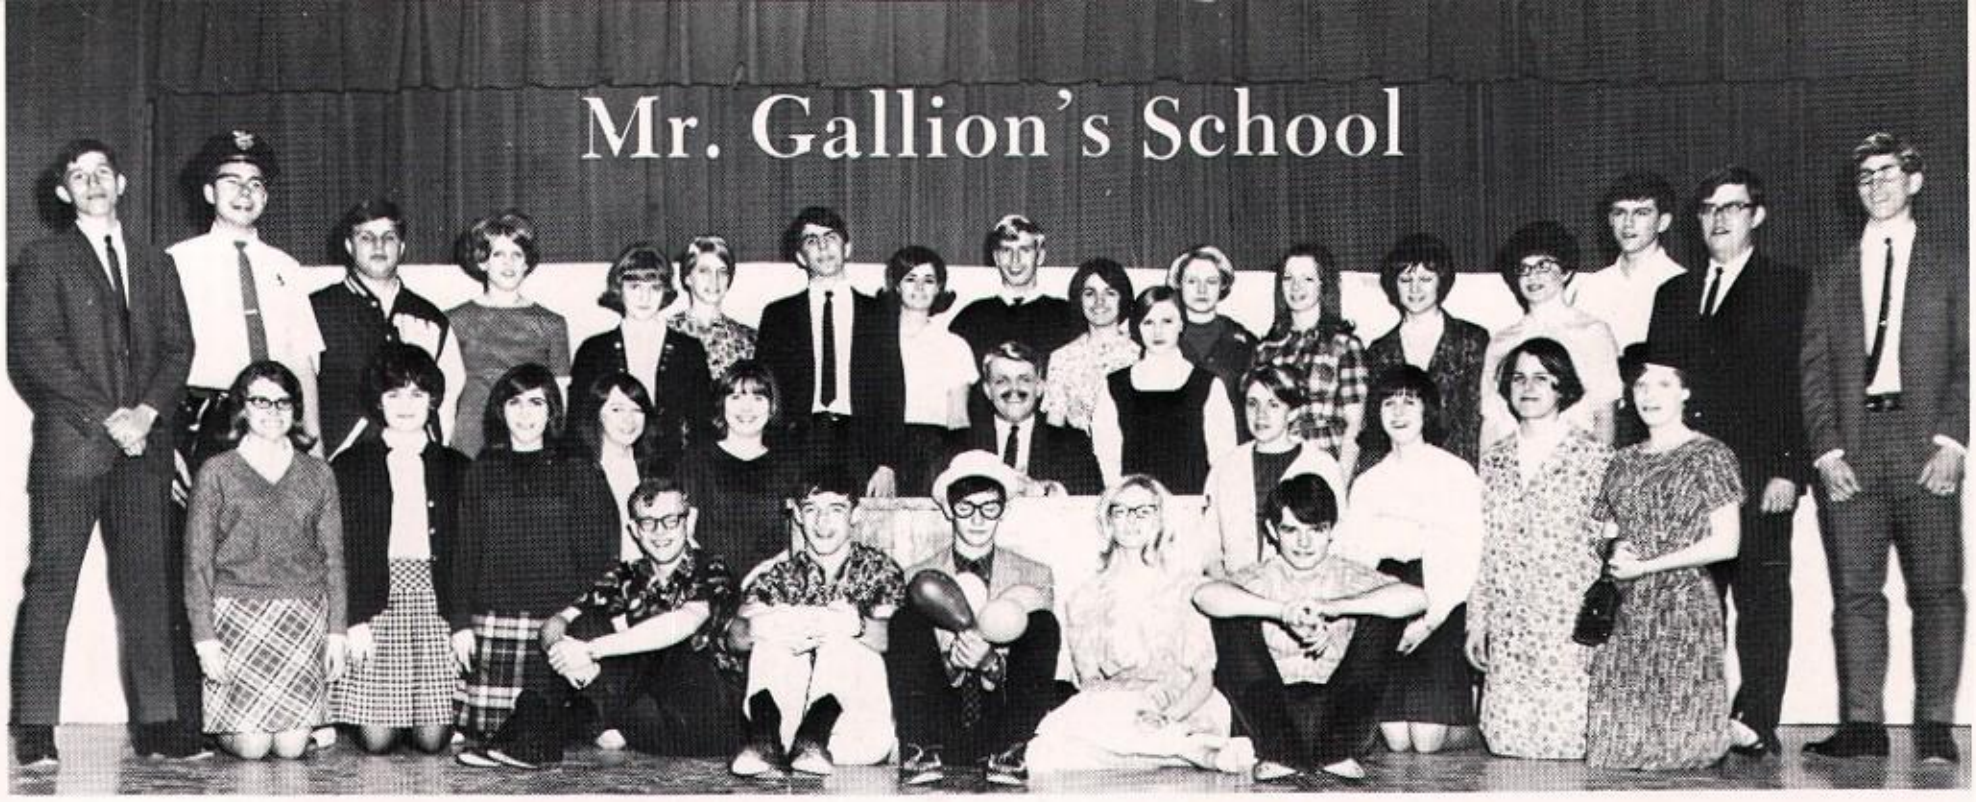
We were proud of our W.H.S. band this year. Mrs. Shultz led the band in pep numbers at our basketball games. The band participated in the Christmas program and closed the year with a Spring Festival. At this event the Freshmen were awarded jackets and Seniors got plaques.

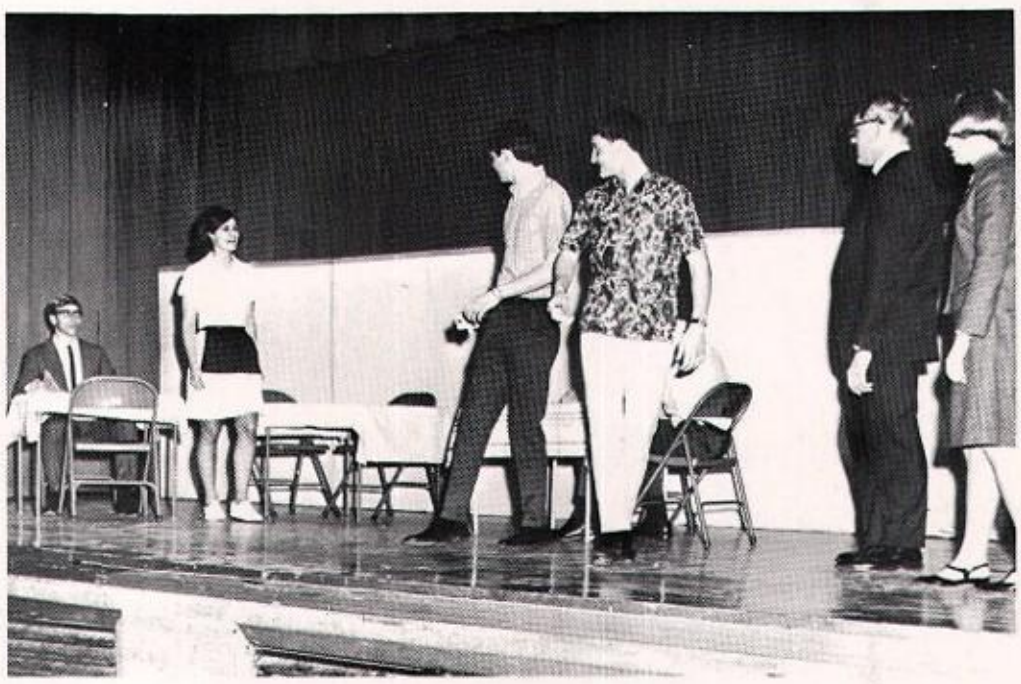


Chorus and Choir

One of the highlights of the school day was the period when the students trouped down to the gym for chorus. Many long hours were spent by the various ensembles practicing for different types of programs and especially contest. Most of the students were pleased with the results and were proud of the ones who were allowed to participate in the state contest.
The choir was also an interesting group to belong to. They participated in a number of activities such as World Day of Prayer, Easter Sunrise Service, Candlelight Services and planning the Spring Choral Festival.

Mr. Gallion's School





The title of the junior-senior play was Mr. Gallion's School. It was a play with a lesson and also a certain amount of humor. Every member of the cast and the others who helped construct and gather properties and who helped behind stage all considered the play well worth the trouble and the many nights of practice. Many of the lines had private jokes behind them that only members of the class could appreciate as a result of a mistake at practice. Mrs. Venis, our director, was very patient and understanding throughout the entire ordeal.

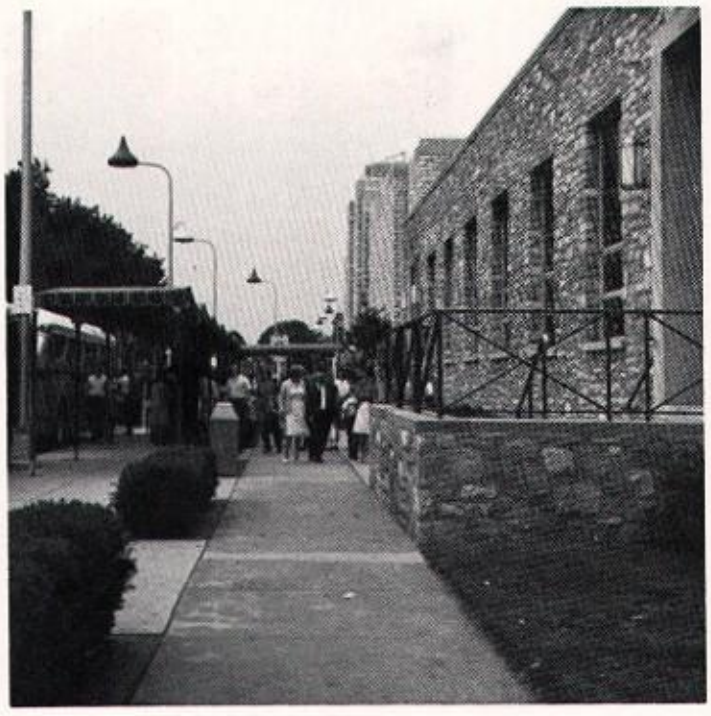
Apple Blossom Time

The juniors honored the seniors on May 3 by presenting the Junior-Senior Prom at the Redwood Inn at Danville. The theme, Apple Blossom Time, was carried out in the decorations and the program. Everyone enjoyed the reading of the senior class wills and the prophecy.

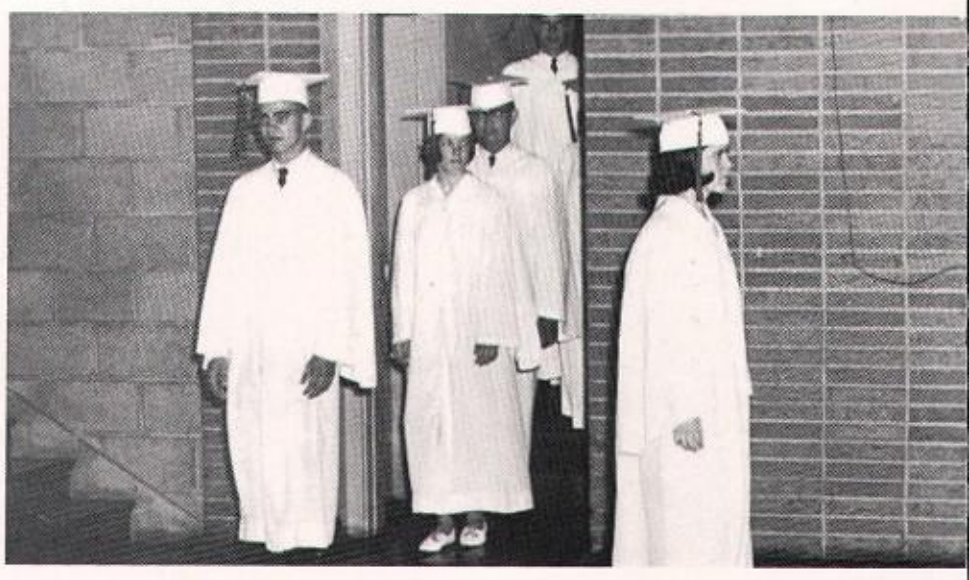
Senior Trip

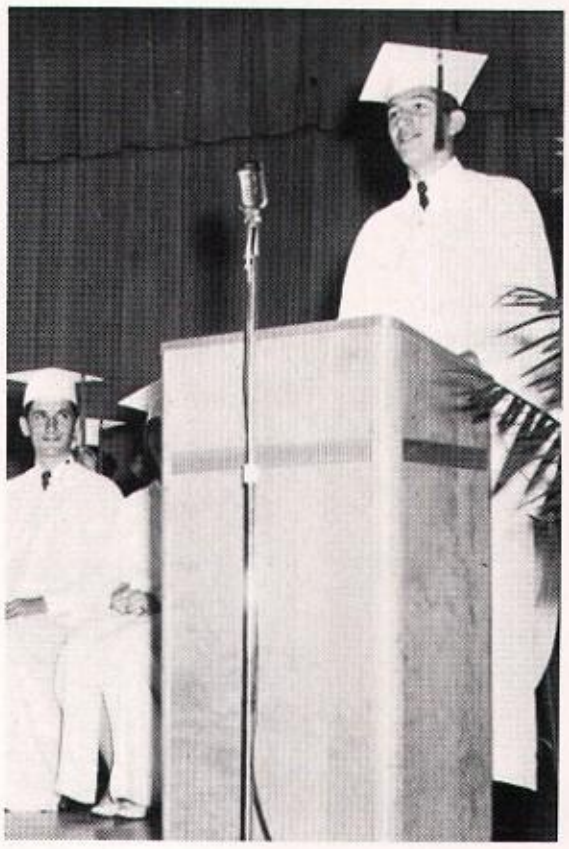
The senior trip was the perfect ending to a perfect year. Even though it rained most of the time and there were a few problems with the bus, everyone seemed to enjoy themselves completely. The first day, the seniors traveled from Waynetown to Gettysburg, Pa., where they saw many historical sites. From Gettysburg, the bus took them to Washington, D.C.

While in Washington, they toured many of the government buildings, the Lincoln Memorial, Jefferson Memorial, Washington Monument, and Resurrection City. One of the highlights of the trip was New York City. While in New York City, a few went to Broadway plays, everyone went to Radio City Music Hall, on a three-hour boat trip around Manhattan Island and took a ferry boat to the Statue of Liberty. They also visited the Hersey chocolate factory and visited Pittsburgh. Everyone would agree that the trip was very worthwhile.

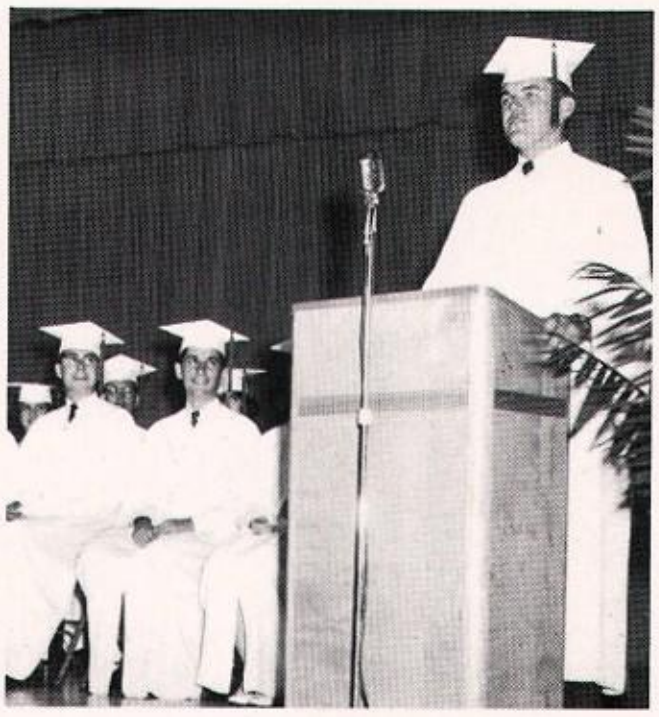


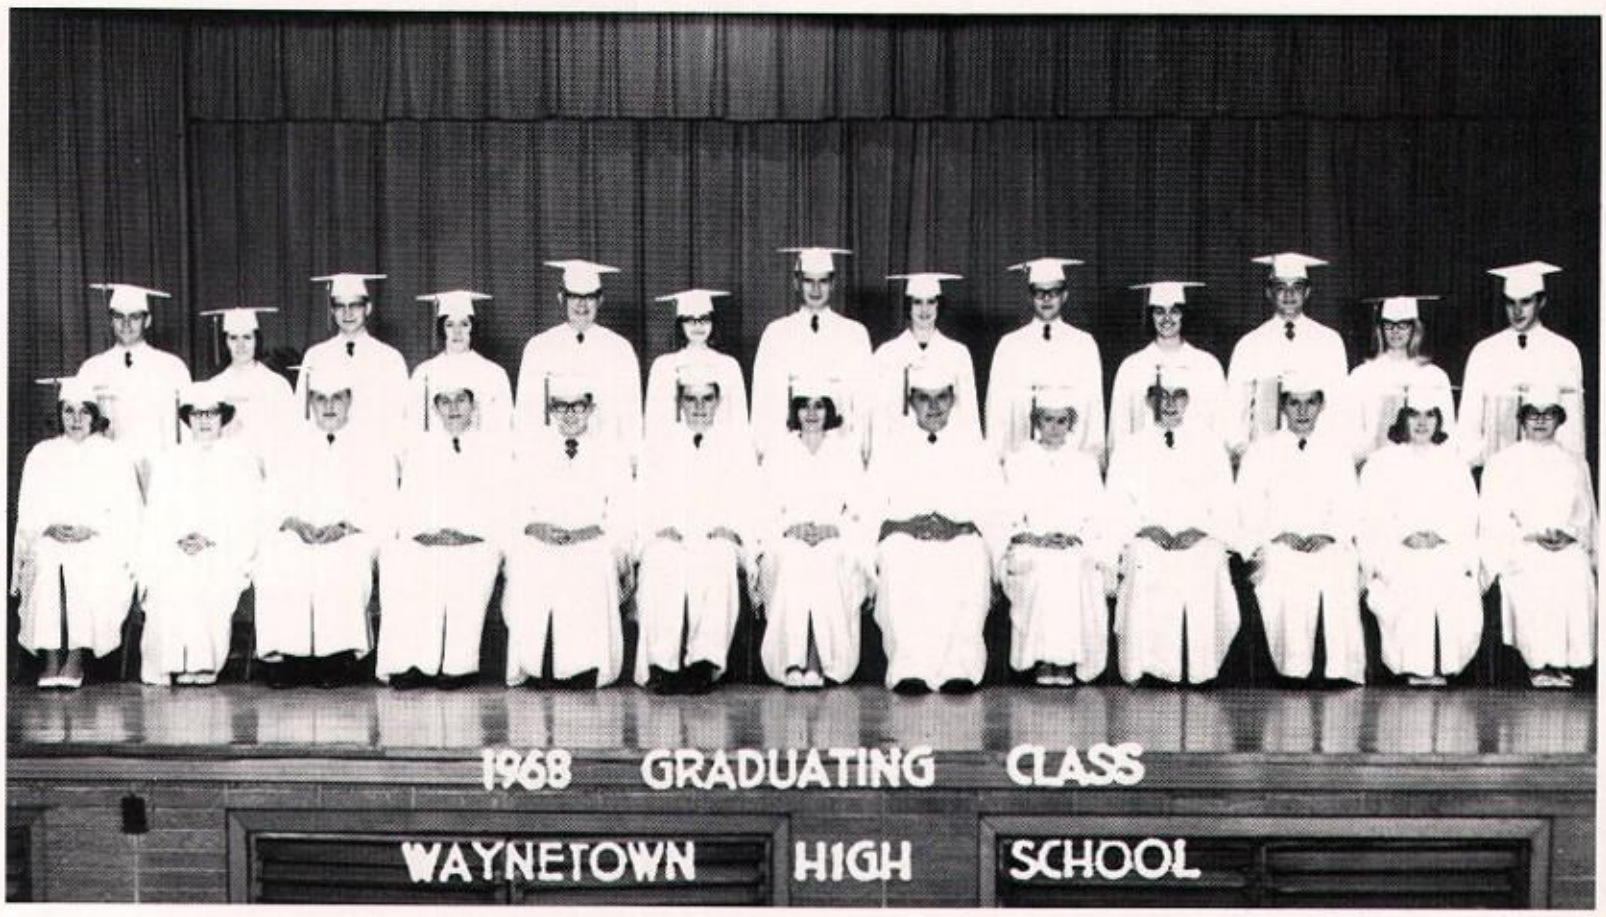
Graduation



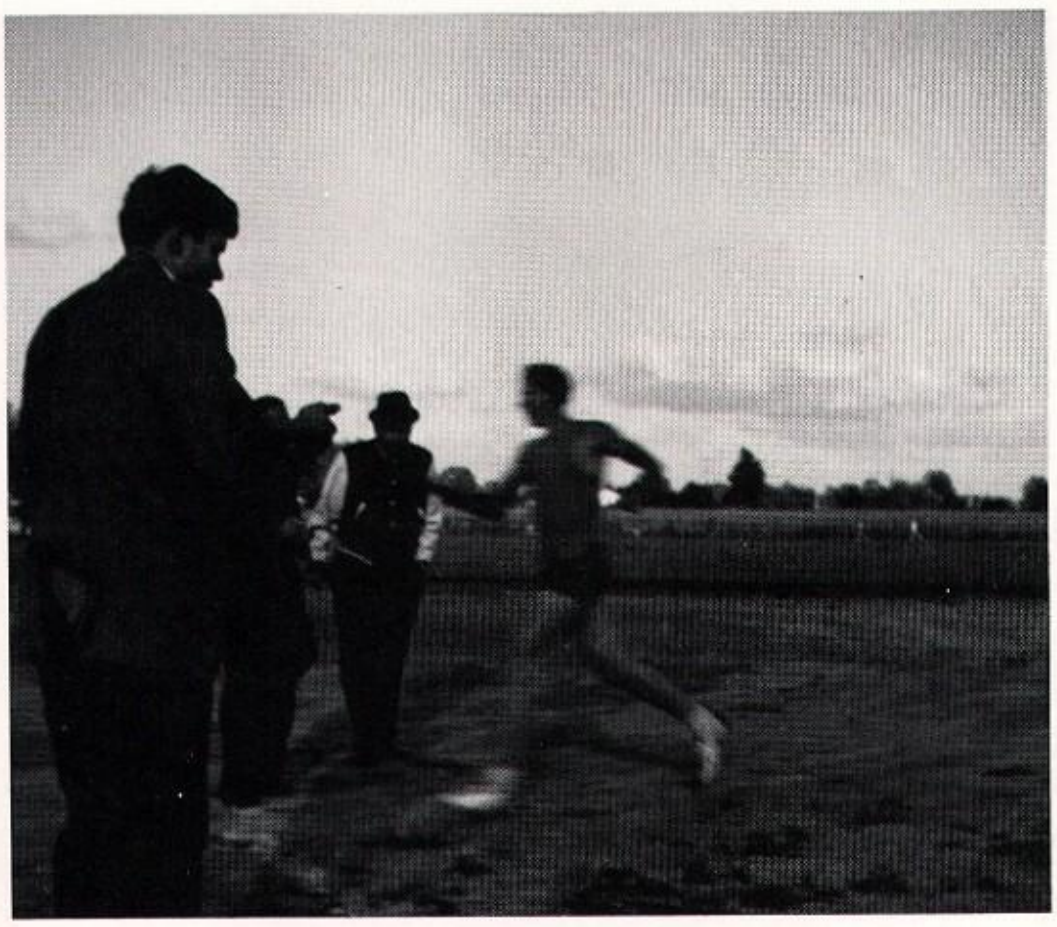


Graduation is a dream come true for every high school student. It took a lot of time and work, but all of the wishes and hopes came true. The theme of the speeches was "We Have A Dream." Each speaker tried to describe his individual dreams, the dreams of the class, and the dreams of our entire generation. All of the graduates' eyes were filled with tears and anticipation.





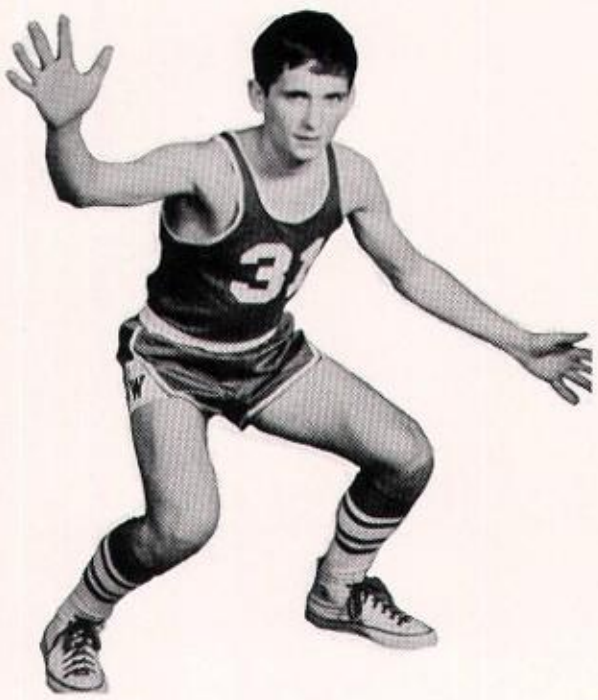
ATHLETICS



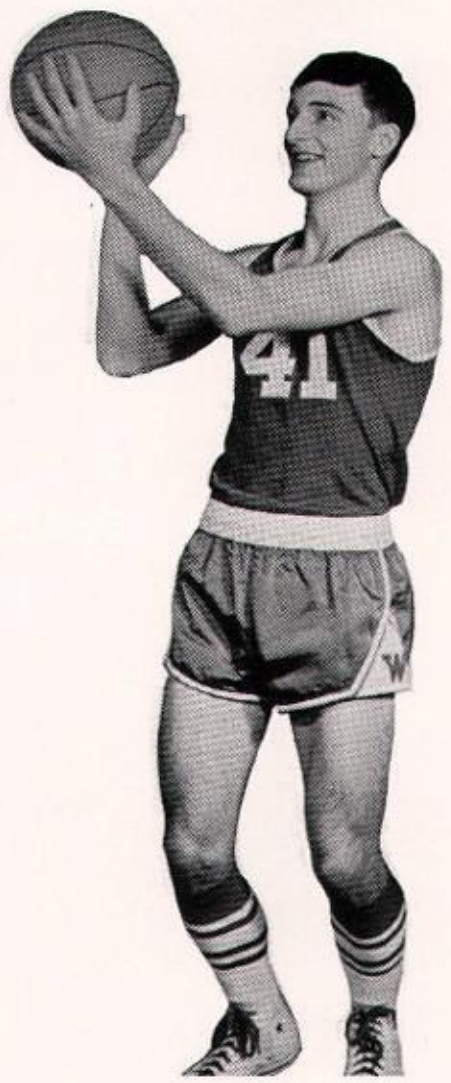
. . . IN ACTION

Varsity Fought

Butch Springer

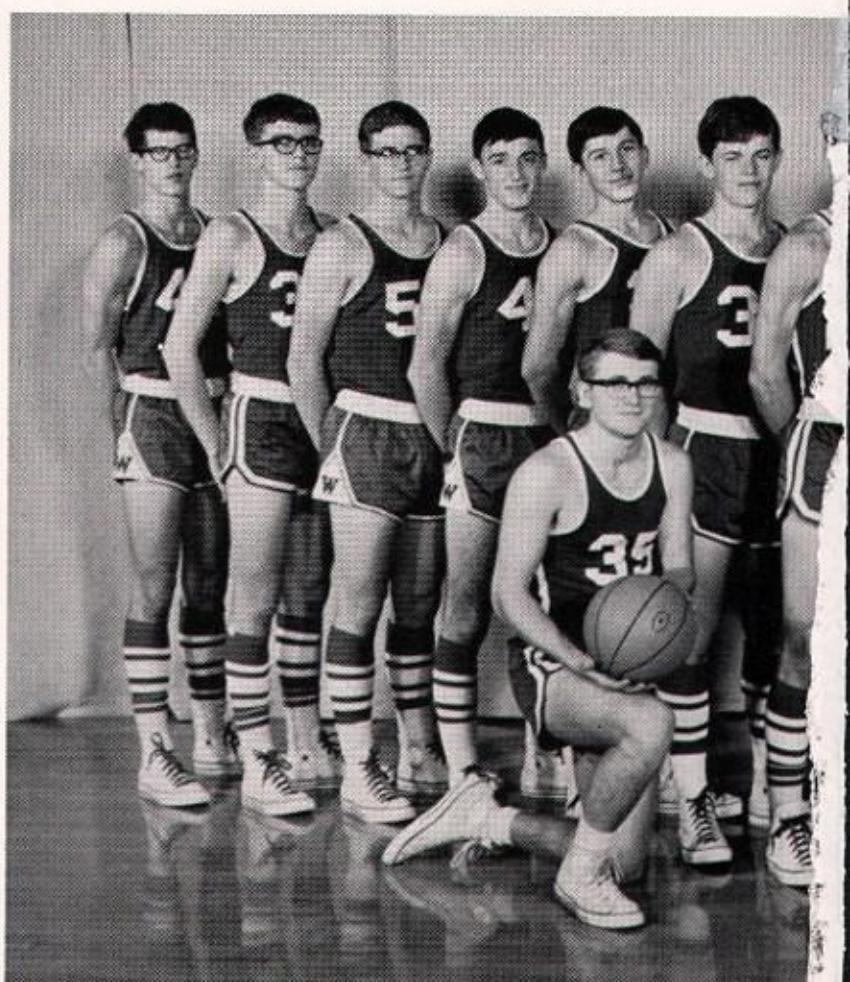


Gary DeBaun



Dave Yerkes

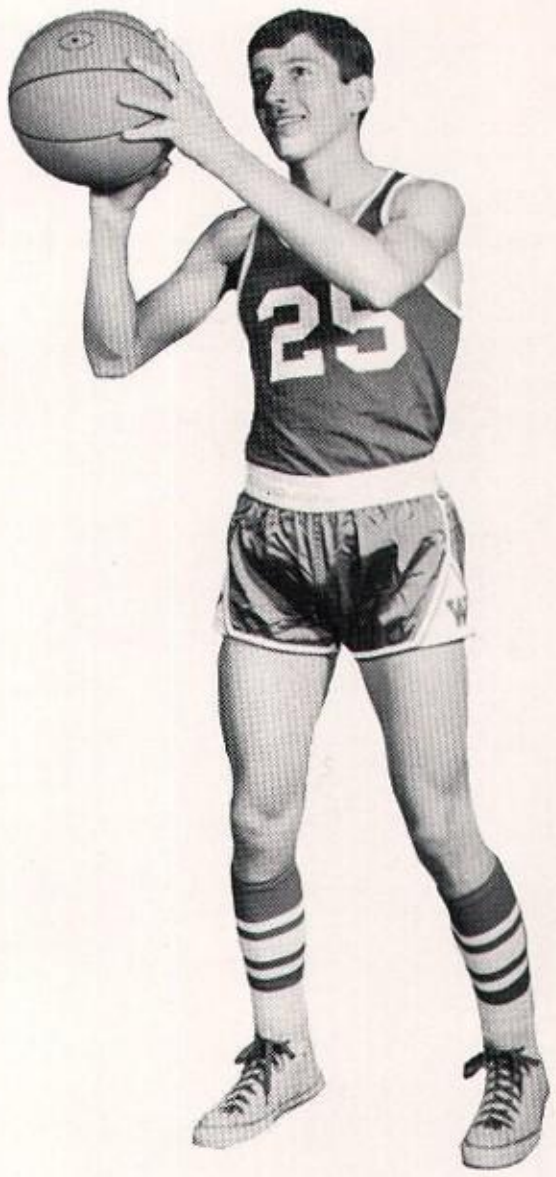
Left to right: Coach Ron Denhart, Athletic Director Tom Bowerman, and Coach Fred Johnson.



with Determination

It is possible for a team to be in the losing column as far as scores are concerned and still be considered winners. This was the case of our varsity this year. Even though many things were against the boys, they continually gave one hundred per cent of their energy and spirit.

Rex Wilkinson

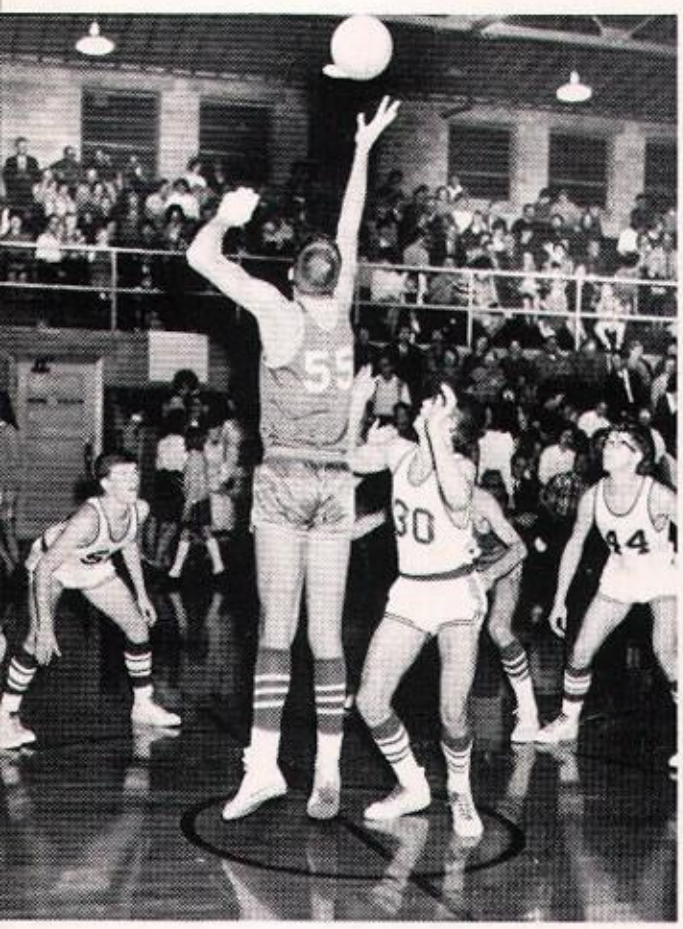


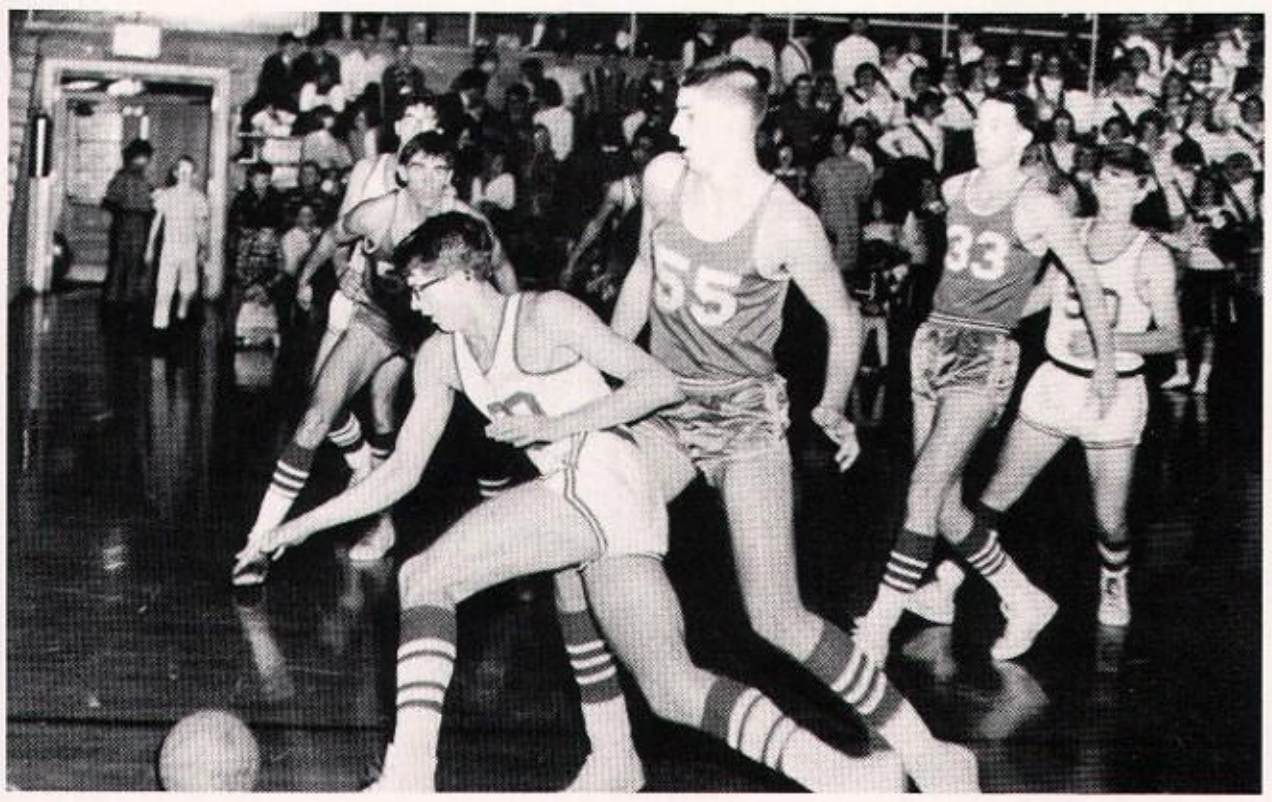
Mike Bunnell

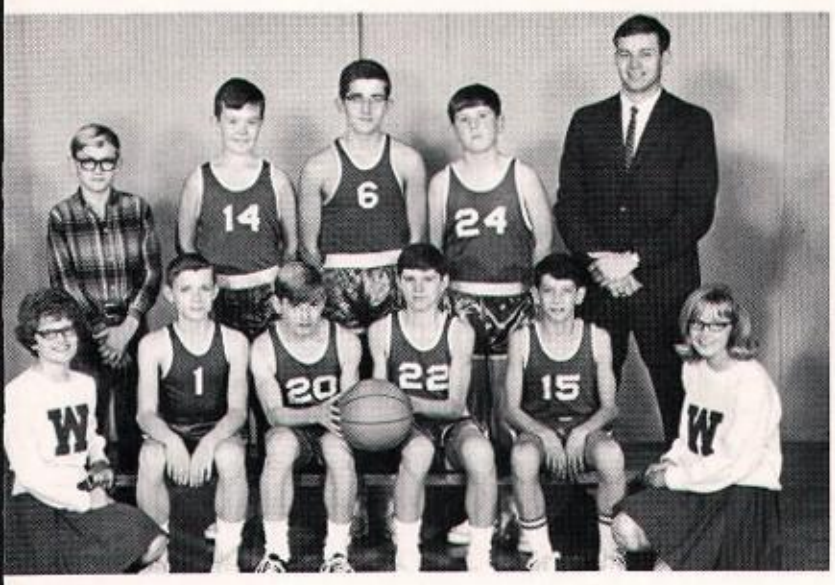
TOP TO BOTTOM, left to right: Vicki Barker, Mary Ann Irvin, Vicky Springer, and Debbie Steelsmith.

Our Hopes for the Future

The B-team had a record of ten wins and eight losses. We were very proud of this record and also the outstanding amount of spirit that this team displayed throughout the entire season.
The trophy winners were: Free throw and Most Improved Awards, Steve Proctor; and Rebound Award, Bob Utterback.
We have high hopes for this team in the future and anticipate many successful years.







Practice Plus Determination Equals Skill

We were very excited about the progress made by the younger teams this year. Although the fifth and sixth grade records were not as good as they might have wished, their determination was something to be praised.

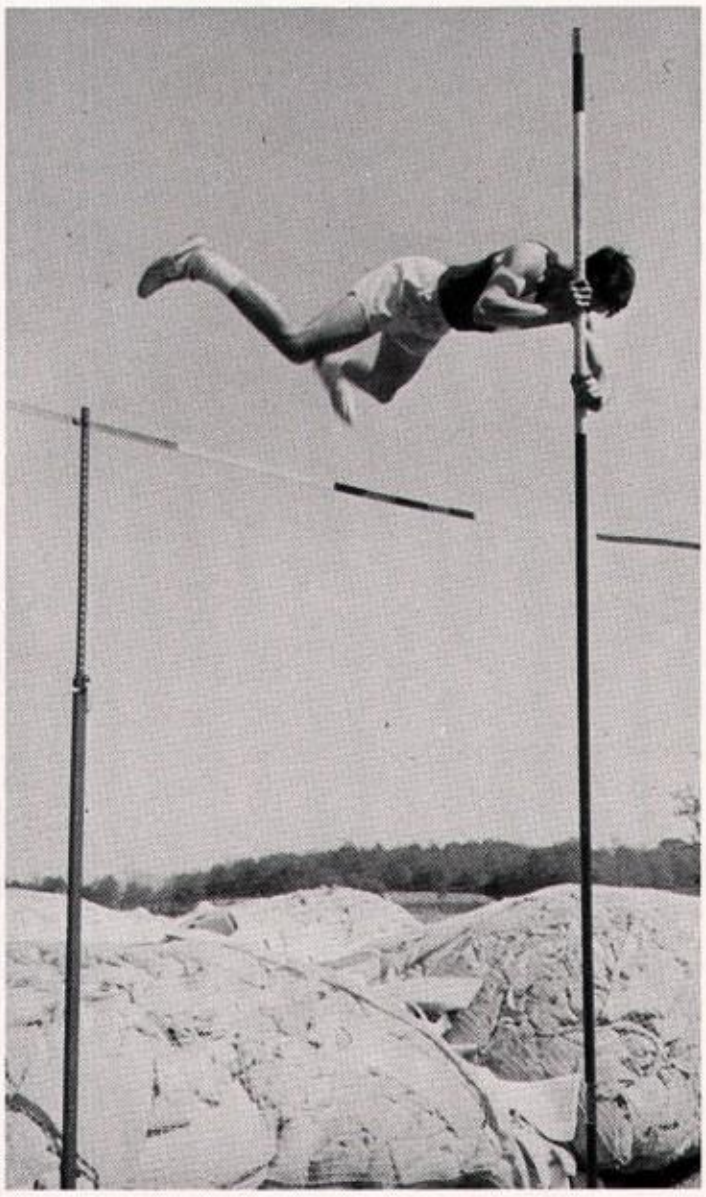
The seventh and eighth grade teams were luckier in their seasons. The seventh grade ended the season with a record of 9-0.

These teams gained valuable experience for later years.

Left to right, TOP TO BOTTOM: Jeff Clore, Debbie Trinkle, Paul Rusk, Alan Grimble, Mike Suitors, Carol Proctor, Randy Fulwider, and Coach Johnson.

Left to right, TOP TO BOTTOM: Greg Kline, Ted Kinney, Ray Smith, Tammy Prather, Coach Johnson, Mike Stout, Fred McClure, Joe Utterback, Carla Burley, Jeff Manning, and Robbie Larew.

Track



The track team remained undefeated in all of the regularly scheduled track meets. They also came in third out of eleven teams at the Big 4 conference meet at Danville. Although the high school team did not do too well in the county meet, the junior high team received a trophy.

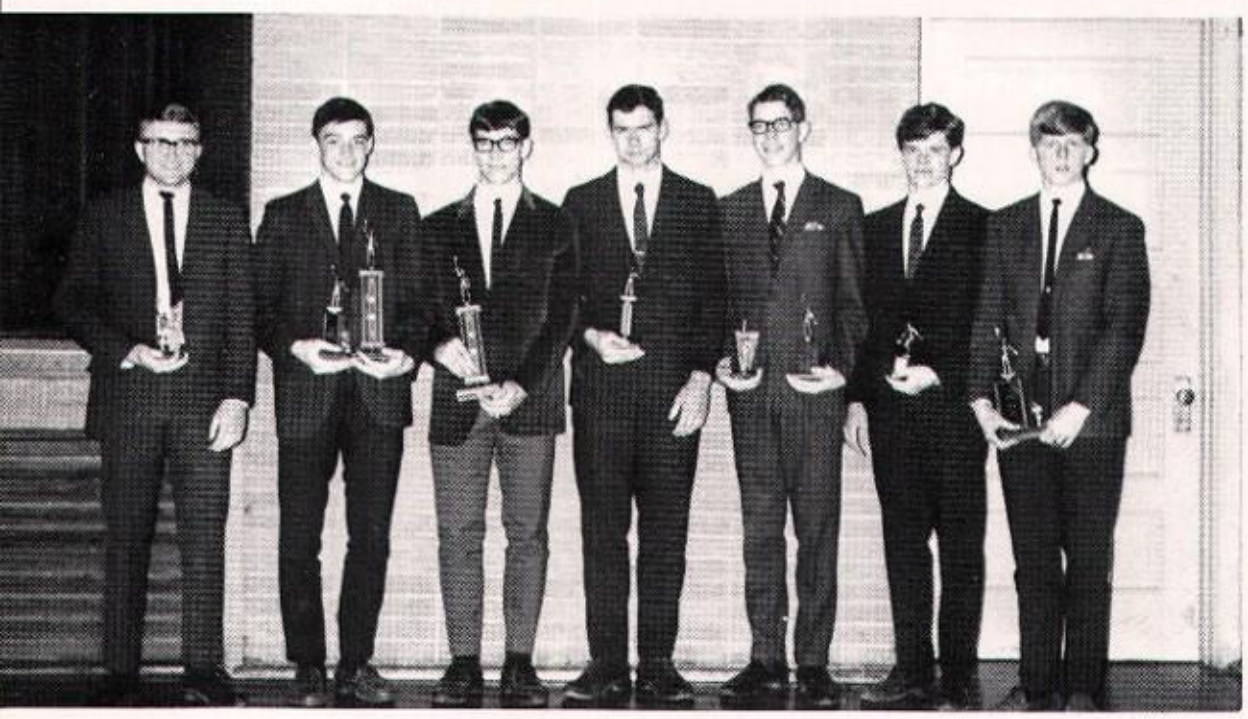
COUNTY CHAMPS

Baseball

Baseball was an exciting sport for both the ball players and the fans. The games and practices gave the boys many hours of enjoyment and plenty of exercise. Baseball was another way for the boys to meet people and gain a good sense of sportsmanship along with the other members of the county teams. Although many times the games didn't turn out as the team and coach might have wished, everyone was still very proud of both.

Athletic Banquet

The climax to the basketball season has always been the annual athletic banquet. However, all the athletes from all sports were honored on this occasion. The speaker for the evening was Rev. Joe Wick from Lafayette, Indiana. He gave many valuable suggestions to the boys which everyone could benefit from. Everyone there had a very enjoyable time.



The coaches recognized each of the boys and presented the awards. The most important awards were those for the most valuable players in each sport, the one for the most improved, and the Jaycee Mental Attitude Award. The recipients of these awards were chosen on the basis of their mental attitude, their conduct, and teamwork.

FACULTY

. . . IN ACTION

The faculty and administration were helpful to the student body. Everything done by the school board was fully appreciated. Mr. Emerson Mutterspaugh, our principal, was also a great amount of help. Although constantly busy, he always found time to participate in student activities.

Unit of the School

The main foundation of any high school is its faculty. Waynetown was very lucky in this respect. Each of the teachers was capable and well qualified. They tried their best to make each class as interesting as possible. This was not always an easy task to accomplish.
Most of the teachers were the same as last year, but we did have a few brave, new additions. After the first initial shock of getting acquainted everything worked out fine.

. . . IN ACTION

This Is Where the

The first three years start the most important years in a child's life. These years present the first opportunity to make lasting friendships. This year the students were able to go on a train ride on the Monon from Crawfordsville to Lafayette, be in the annual Christmas program, and participate in many other activities.

ughout the Year

Mrs. Strong's Sixth Grade

During these years, the knowledge gained so far is put to more use. A few of the activities of this year consisted of the plays written by some of the members of the fourth grade, the fifth grade completed many projects, and the sixth grade was involved in printing a small newspaper. Through these experiences, more knowledge was gained to carry into high school years.

CONGRATULATIONS SENIORS!!!

Remember This:

"SAVINGS REPRESENT much more than mere money value. They are the proof that the saver is worth something to himself. Any fool can waste; any fool can muddle; but it takes something more of a man to to save and the more he saves the more of a man he makes of himself. Waste and extravagance unsettle a man's mind for every crisis; thrift, which means some form of self-restraint, steadies it."
--Rudyard Kipling
